Section A – [25 questions – 1 Mark Each]

1. In NTCA leagues/Tournaments, how many players must be physically present on the field of play for the toss to take place per side?
a) 8 b) 7 c) 10 d) 9
2. When is the captain required to inform his / her decision to bat or bowl after winning the toss?
a) Withing 1 minute. b) Within 30 seconds c) Immediately.
d) Discuss with his teammates and inform the umpire in 2 minutes
3. A player goes out at 10.00 AM. There is no drinks interval in the first innings. He comes back at 10.40 AM. When can he bowl?
a) 11:19 AM b) 11:15 AM c) 11:20 AM d) 11:21 AM
4. As striker's end umpire, you note that as the bowler commences his run-up the wicket keeper is positioned so that his hands are on the bowling crease marking, however before delivery he withdraws his hands behind the crease. What is your action?
a) Call Dead ball b) Call No ball
c) Ignore the matter because there was no infringement at the moment of delivery.
d) Call No ball and award five penalty runs to the batting side.
5. A player from the fielding side was not present the time the umpire calls play. Choose the correct options from the below statements that will allow the fielder arriving late take further participation in the match?
a) He must be in the present at the ground before completion of the first innings
b) He must be at the ground before completion of 8 overs of the first innings
c) He must take the field within 75 min or the first drinks break which comes first for a primary league game and before completion of the 10th over for a T20 game.
d) Before fall of 5 wickets in the first innings
6. The umpires will be the final judges of the fitness of ground, weather and light for play, as prescribed in Law 3, Sections 8-10, of the Laws of Cricket.
a) True b) False

7. A bowler has no run-up, delivering the ball from a standing position astride the bowling crease. When does the ball come into play?
- a) When the arm reaches shoulder height in the delivery swing.
 - b) The moment the bowler takes his stance for a stride in the crease.
 - c) The moment his arm starts to move in the delivery swing
 - d) When the ball is released.
8. What would happen if a fielder caught the ball from a high catch with his cap?
- a) The ball becomes dead, and five penalty runs are awarded to the batting side.
 - b) Umpire signals dead ball.
 - c) The batsman is considered *Out Caught*
 - d) The umpiring giving first warning to the fielding team.
9. Batsman is caught in slips, umpire signals a no ball, batsman does not realize and keeps walking out of crease and the fielder takes the bails off. What happens when an appeal is made by the fielder?
- a) Batsman is declared out.
 - b) Batsman is declared not out.
 - c) Batsman is penalized 5 runs but allowed to bat
 - d) Fielding team is penalized 5 runs but Batsman not allowed to bat
10. The umpire is required to take possession of the ball which is being used.
- a) At the end of every over or at the fall of a wicket.
 - b) At the fall of each wicket and at the start of any interval or interruption.
 - c) At the end of every over and at the start of any interval or interruption.
 - d) At the fall of every wicket and replacement of a used ball.
11. Which of the following would not be considered as the ball striking or touching the bat? Contact between the ball and:
- a) Any part of a glove worn on the striker's hand holding the bat.
 - b) Any part of a glove worn on the striker's hand not holding the bat.
 - c) Striker's hand holding the bat.
 - d) Any part of the striker's bat.
12. If a fielder makes unfair movement behind batsman, then umpire calls for?
- a) No-Ball.
 - b) Dead Ball.
 - c) Wide Ball
 - d) 5 Run Penalty
13. Umpire can award 5 penalty runs to the fielding side if batsman has been warned and yet continues to deliberately waste time
- a) True
 - b) False
14. If there are more than two fielders (other than wicketkeeper) behind batting crease on the on side, umpire calls for?
- a) Dead Ball
 - b) No Ball
 - c) 5 Runs Penalty
 - d) Wide Ball

15. How many short-pitched balls above shoulder height are allowed per over in limited over matches (all formats) conducted by NTCA?
- a) 2 **b) 1** c) 0
- d) If the first short-pitched delivery is a wide delivery then 2 more short-pitched balls are allowed
16. If the bowler breaks the stumps in delivering the ball, the umpire should call:
- a) Dead Ball **b) No Ball** c) Caution the bowler for time wasting
- d) Nothing, it is a normal action and play continues
17. A batsman has been within his ground and has subsequently left it to avoid injury when the wicket is put down by wicket keeper receiving a throw from a fielder. On appeal your action to declare the batsman?
- a) Out-run out b) Out-stumped c) **Not out** d) Ignore the appeal
18. A fielder who goes out of the ground during the innings needs to serve the penalty time before he can bowl in that innings. What is the maximum time he can be out of the ground that will not require him to serve the penalty time:
- a) **8 min.** b) 5 min c) 7 min d) 6 min
19. If a ball delivered by the bowler comes to rest in front of the line of the striker's wicket, without having touched the bat or person of the striker, the umpire should:
- a) **Call and signal No ball and immediately call and signal Dead ball**
- b) Call and signal No ball and allow the striker one chance to hit the ball
- c) Call and signal Dead ball
- d) Call and signal Wide ball
20. A batsman is out caught in the last ball of the over. Both the batsmen cross before the catch is taken. Who will take strike when the first ball of the next over is bowled?
- a) New batsman **b) The non-striker.** c) Bowler's end umpire to decide
21. The definition of 'waist' (for judging beamers / non pitching deliveries for a "No Ball") is:
- a) The top of the trousers. b) The area between the top of the striker's hip and his bottom rib
- c) **The Waistband of his trouser** d) Striker's bottom rib
22. The umpire at the striker's end may sometimes move to stand on the off side of the pitch. What should he do before move to the offside?
- a) Wait until the over is completed **b) Inform the fielding side captain, the striker and the other umpire.** c) Inform the striker and the other umpire. d) He can move as he wishes to without inform anyone
23. In NTCA, who is responsible for setting up the ground for a match – stumps, bails, boundary, crease etc.?
- a) Both teams. b) The umpires. c) The team losing the toss **d) The designated home team**

24. In NTCA, what is the minimum number of overs in both innings for a result in Primary League (40 Over) Match

- a) 20 Overs. b) **15 Overs.** c) 10 Overs d) 18 Overs

25. In NTCA, what is the time duration per innings in a T20 Match

- a) **1h:40m.** b) 1h:30m. c) 1h:25m d) 1h:20m

Section B – [10 questions – 2 Mark Each]

26. Under the laws, what are the ways a batsman may get out from a No ball?

- **Hit the ball twice**
- **Obstructing the field**
- **Run out**

27. Under the laws, what are the ways a batsman may get out from a Wide ball?

- **Hit Wicket**
- **Obstructing the field**
- **Run out**
- **Stumped**

28. In NTCA, how many overs of power play in a 45-over Game? What are the field restrictions in each of the power play?

3 Power Plays:

Power Play 1 [20% of total overs] or 0 – 9 overs – max 2 fielders outside the 30-yard circle

Power Play 2 [60% of total overs] or 10 – 36 overs – max 4 fielders outside the 30-yard circle

Power Play 3 [20% of total overs] or 36 – 45 overs – max 5 fielders outside the 30-yard circle

29. In NTCA, explain the complete scenario if a team doesn't have minimum players on the field of play at time of toss

1. **The umpires shall award the toss to the team who have 8 or more at the ground at the time of the toss**
2. **If umpires are satisfied, the game shall start at the scheduled start time with team forced to take the field with reduced members**
3. **Umpire shall deduct one over for every 5 minutes delay after start time for the team with less than minimum number of players**
4. **The umpires shall wait 45 more minutes after the start time, before awarding the game to the team that has at least 8 players on the field and the report the game as a forfeit to OC.**

30. The bowler bowls a deliberate high full pitch delivery which passed above the waist height of the striker standing upright at the popping crease. What action will be taken and what signals are to be made by either UMPIRES?

Refer Law 41.7.1, as the full pitched delivery was deliberate. The umpire shall:

1. **immediately call and signal No ball.**

2. when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
3. inform the other umpire

The bowler thus suspended shall not be allowed to bowl again in that innings.

4. report the occurrence to the batters and, as soon as practicable, to the captain of the batting side.
5. Report the incident to NTCA OC

31. After the striker has hit the ball, which is not a No ball, the batsmen complete 2 runs and have crossed on the third when the ball strikes a fielder's protective helmet placed on the ground.

a) How many runs are scored to the batting side?

- a) 7 runs b) 8 runs c) 2 runs d) 5 runs e) 3 runs

b) How many runs are scored to the striker?

- a) 7 runs b) 8 runs c) 2 runs d) 5 runs e) 3 runs

32. A fielder, who is also a top order batter goes out of the ground 20 min before the end of the innings.

a) When can he bat in the second innings?

– After 20 min of his team's inning or after fall of 5 wickets, whichever is earlier

d) What will your answer if he had to leave the field to nurse an external injury sustained while trying to field the ball in the same match?

- As the external injury during the same game he is not required to serve penalty time and can bat immediately

33. You as the non-Striker's end umpire miscount an over during the match. The 7th delivery bowled is a No ball. Discuss and explain the procedure to follow.

- When the umpires realize about the miscounting they will call over immediately when the ball is dead even if the 7th ball of the over is a no ball
- The over as counted by the umpires shall stand
- All runs scored in the extra delivery including the no ball and any penalty runs shall be allowed to the batting side. Any penalty runs to fielding side together with any dismissal shall also stand.

-

34. The off spinner delivers a ball from over the wicket to the right-hand batsman at the crease. The striker changes his stance to that of a left-hand batsman to play the switch-hit shot. The ball pitches outside the off stump of the now left-hand batsman. The striker misses the ball, and it passes 2 inch inside the wide line to the striker's original leg stump. What will be your decision and why?

- In the given case since the striker has attempted a switch hit both side of his wicket will be treated as his of- side
- As the ball passed within 35-inch-wide guidance mark of the striker's revised off-side the ball shall be regarded as a fair delivery and not a wide ball

35. The striker, after receiving a ball which is not a No ball, is standing out of his ground, clearly not attempting a run. Identify if each of the following situations is considered as RUN OUT or STUMPED?

- a) Rebounding from the wicket-keeper's pads on to the stumps. - **Stumped**
- b) Thrown by the wicketkeeper on to the stumps. - **Stumped**
- e) Rebounding from the wicket-keeper's protective helmet on to the stumps. - **Stumped**
- f) Flying off the wicket-keeper's helmet to first slip who then throws the ball on to the wicket. – **Run-out**

Section C – [7 questions – 5 Mark Each]

36. List any 5 instances when the ball automatically becomes dead?

A ball is considered to be dead automatically when:

- 1. it is finally settled in the hands of the wicket-keeper or of the bowler and in the opinion of the batters, fielders and the umpire no further action is possible.
- 2. a boundary is scored.
- 3. a batter is dismissed.
- 4. The innings is concluded
- 5. Whether played or not lodges within the clothing or equipment of a batter or umpire

37. List at least 5 examples when the bowler's end umpire shall call and signal no ball?

- 1. Foot infringement (front foot or back foot) infringement by the bowler
- 2. The bowler changing mode of delivery without informing the umpire
- 3. The bowler breaks the wicket at the non-striker's end in the course of delivering the ball
- 4. The bowler bowls underarm
- 5. The ball being delivered pitches outside the crease

38. List the dismissals that are given by the strikers end umpire?

The striker's end umpire shall answer an appeal doe the following dismissals:

- 1. Stumped
- 2. Hit wicket
- 3. Run out at the striker's end

39. Describe the procedure to follow when a player returns to the field without either umpire's permission & comes into contact with the ball

If a player comes back onto the field of play without the umpires permission and comes comes to contact of the ball either of the umpires:

- 1. Shall call dead ball immediately
- 2. The umpire shall award 5 Penalty runs to the batting side.

3. Runs completed by the batters shall be scored together with the run in progress if they had already crossed at the instant of the offence.
4. The ball shall not count as one of the over.
5. Inform the batters on crease, the captain of the fielding team and the other umpire the reason for such action
6. The umpires to follow informing & reporting procedures with NTCA

40. Explain the Considerations that the bowler's end umpire will be consider when there is an appeal for LBW?

The umpires shall consider all of the following conditions when there is an appeal for LBW:

1. The ball delivered is not a no ball
2. If not intercepted in full pitches in the line between wicket to wicket or the strikers off-side
3. The ball should not have touched the bat first
4. The striker has intercepted with the ball with any part of his person
5. Point of impact:
 - a. If shot is offered – between wicket to wicket
 - b. If no shot is offered - between wicket to wicket or striker's off-side
6. The ball would have hit the striker's wicket if there was no interception

41. List the penalty imposed upon the home team due to delay in ground set-up.

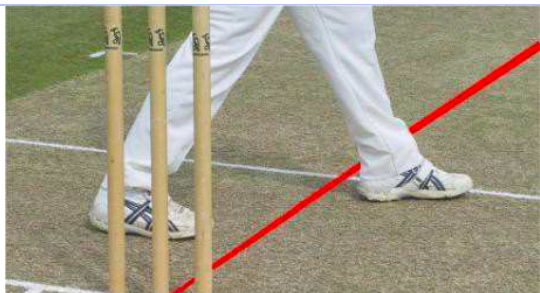

The responsibility of setting the ground for a match rests on the designated Home Team.

If the ground preparation is not completed 15 minutes before the scheduled game start time:

1. The home team will automatically lose 1 over from its quota.
2. If the ground preparation is not completed by the scheduled game start time the home team will automatically lose 3 overs from its quota.
3. Every subsequent 5-minute delay in ground readiness will reduce one over per 5-minute interval from the home team's quota.

42. From the images below, as a bowler's end umpire what would be your decision?

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery

a) No Ball b) Fair Delivery
