

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

Answers to questions must solely be based upon MCC Laws 2017 Code 2nd Edition, and not to any special regulations.

Date: Sunday, 28th April, 2019
Time: 10:00 AM to 12:00 PM
Duration: 120 Minutes

Passing Mark: 70 Points

Section - A 20 X 1 = 20 Points
Section - B 20 X 2 = 40 Points
Section - C 10 X 4 = 40 Points

Do not write your name or any identifiable information below. Print only your Candidate ID obtained from your proctor.

Candidate ID: _____

Please do not open examination booklet until start time for the examination and as directed by the proctor.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

SECTION - A

20 X 1 = 20 Points

1. Who is responsible under the Laws of Cricket to ensure that play is conducted within the spirit and within the laws?
 - a) Team Coaches/Managers
 - b) The Captains
 - c) The Umpires
 - d) The Governing body

2. If an umpire becomes injured or ill during a match, the replacement umpire may take full responsibility as an umpire under only one condition below.
 - a) Approval of the governing body for the match.
 - b) Determined by the other umpire for the match.
 - c) Agreement by the captains about the arrangement.
 - d) Determined by the home side for the match

3. Identify second part of a Level 4 Conduct signal.
 - a) 
 - b) 
 - c) 
 - d) 

4. Umpires shall not start, recommence; or shall suspend play immediately, if conditions of ground, weather, or light, or any other circumstances are dangerous or unreasonable in the opinion of
 - a) Both umpires

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

- b) Either umpire
 - c) Home side
 - d) Governing body
5. The umpire at the striker's end may sometimes move to stand on the off side of the pitch. What should he do before moving to the off side?
- a) Wait until the over is completed.
 - b) Inform the fielding side captain, the striker and the other umpire.
 - c) Inform the striker and the other umpire.
 - d) He can move as he wishes to without informing anyone.
6. The umpire is required to take possession of the ball which is being used.
- a) At the end of every over or at the fall of a wicket.
 - b) At the fall of each wicket and at the start of any interval or interruption.
 - c) At the end of every over and at the start of any interval or interruption.
 - d) At the fall of every wicket and replacement of a used ball.
7. Which of the following would not be considered as the ball striking or touching the bat? Contact between the ball and
- a) Any part of a glove worn on the striker's hand holding the bat.
 - b) Any part of a glove worn on the striker's hand not holding the bat.
 - c) Striker's hand holding the bat.
 - d) Any part of the striker's bat.
8. A player is injured during a session of play. The umpires allow a substitute to field for him. What if any, is he allowed to do with the umpires' permission?
- a) To bat last during his side's innings.
 - b) To captain the fielding side.
 - c) To bowl as a replacement for a suspended or incapacitated bowler.
 - d) To not bowl, but keep wickets.
9. What is the length of the interval between innings in minutes, if it is not included in the lunch or tea intervals, an interruption in play or overnight in a multi-day game?
- a) 20
 - b) 10

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

- c) 15
d) 30
10. How long before the scheduled start of play should the mowing of the following be completed?
- 1) The pitch
 - 2) The outfield
11. The captains toss for the choice of innings. When can this be done per the requirement under the laws?
- a) In the presence of at least one umpire between 30 minutes and 15 minutes before scheduled or rescheduled start of play beyond the boundary.
 - b) In the presence of at least one umpire between 30 minutes and 15 minutes before scheduled or rescheduled start of play on the field of play.
 - c) In the presence of both umpires between 15 minutes and 10 minutes before scheduled or rescheduled start of play on the field of play.
 - d) In the presence of both the umpires between 30 minutes and 10 minutes before scheduled or rescheduled start of play on the field of play.
12. A fair delivery is bowled which bounces up and the striker ducks to avoid being hit. The ball hits him/her on the shoulder and runs into the outfield. The batsmen complete one run. What happens next?
- a) The umpire signals Dead ball and returns the batsman to their original ends disallowing the run after the first run is completed.
 - b) The umpire signals Leg byes when the ball is dead.
 - c) The umpire signals Byes when the ball is dead.
13. The bowler delivered a No ball. The striker hits the ball over the bowler's head which clears the boundary before pitching. How many runs are scored?
- a) 7 runs are scored to the striker.
 - b) 7 runs are scored as No ball extras.
 - c) 7 runs are scored as 1 No ball extra and 6 runs to the striker.
 - d) 6 runs are scored to the striker.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

14. The bowler bowled a non-pitching delivery that would have passed above waist height of the striker standing upright at the popping crease. The ball struck the striker's bat and batsmen completed the second run when the fielder completed a catch. How many runs are scored?
- a) 0
 - b) 1
 - c) 2
 - d) 3
15. The striker hits the ball hard back above the ground towards your partner at the bowler's end, who ducks to get out of the way. The ball struck his shoulder and flew to a nearby fielder who caught it and appealed. The umpire is not injured from the hit. The wicket-keeper immediately turns towards you and appeals. What would do you do as the striker's end umpire?
- a) Call and signal Dead ball as the ball hit the umpire.
 - b) Give the batsman not out as the ball was caught off an umpire.
 - c) Dismiss the batsman Caught.
 - d) Do nothing.
16. A striker is out Hit wicket under the laws off a wide ball. Upon appeal, which umpire should dismiss the striker?
- a) Bowler's end umpire.
 - b) Striker's end umpire.
 - c) Neither umpire (Not Out).
 - d) The striker may leave the field.
17. Off the last ball of the over, a fair delivery is bowled which strikes the striker's pad first. You are satisfied that all the conditions are met for the striker to be out LBW. There is no appeal from the fielding side. Before the start of next over, the fielder at mid-off appealed. How is this appeal answered?
- a) Answer the appeal NOT OUT as the appeal is not valid after call of over.
 - b) Answer the appeal NOT OUT as the bowler did not appeal.
 - c) Answer the appeal OUT as it is made before start of next over.
 - d) Answer the appeal NOT OUT as the wicket-keeper did not appeal.
18. The ball comes off the shoulder of the striker's bat and loops up. He sees it might fall onto his wicket. He is allowed to strike the ball for a second time only unless.
- a) The ball delivered is a no ball.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

- b) The bails are accidentally removed from top of the stumps by the fielding side.
 - c) The second strike prevents a catch from being taken.
 - d) He uses some part of his person or the hand not holding the bat to do so.
19. The bowler bowls a fast, high full pitch ball which would have hit the striker's head had he not ducked. You do not consider that this was deliberate, and it was his first offence of the innings. What are you required to do?
- a) Call and signal No ball and issue a first and final warning.
 - b) Suspend the bowler from bowling for the rest of the innings.
 - c) Call and signal No ball and caution the bowler.
 - d) Award the batting side 5 Penalty runs.
20. Your partner at the bowler's end warns the bowler for bowling fast short-pitched balls. The bowler finishes his spell. After two overs, the same bowler starts a new spell from your end. His second delivery is a fast short-pitched ball into the body of the same striker. What action if any would you take?
- a) Give the bowler a first and final warning for this spell of bowling.
 - b) Direct the fielding side captain to suspend the bowler immediately from bowling.
 - c) Give the bowler a second and final warning.
 - d) Award the batting side 5 Penalty runs.

SECTION – B **20 X 2 = 40 Points**

21. List at least four matters that the umpires determine and consult with the captains before the toss.
22. List the signals called and made while the ball is in play and repeated to the scorers after the ball becomes dead?

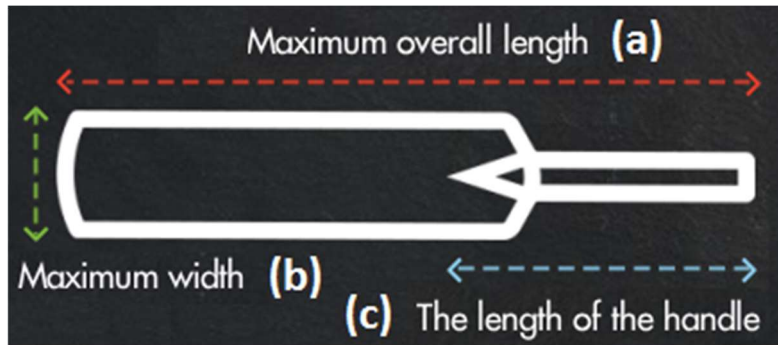

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

23. Who must be satisfied about the correctness of scores during a match?

- a) How frequently must the correctness of scores be checked?
- b) What specific items of the score must they be satisfied about?

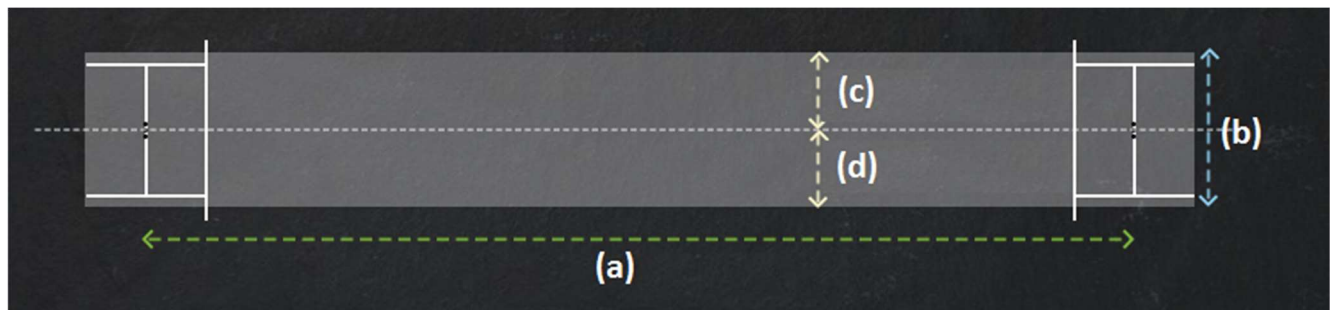

24.

From the image above, indicate the lengths of (a), and (b) in inches and (c) in percent.

- (a)
- (b)
- (c)

25.

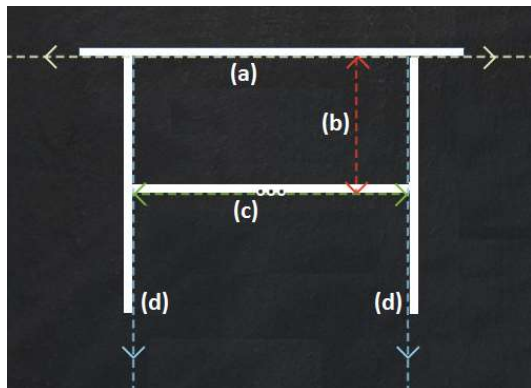

From the image above, indicate the lengths of (a), (b), (c), and (d) in feet.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

- a)
- b)
- c)
- d)

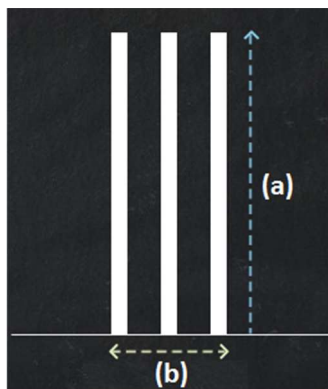

26.

From the image above, indicate the names, and minimum and maximum lengths of (a), (b), (c), and (d) in feet.

- a)
- b)
- c)
- d)

27.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

From the image above, indicate the lengths of (a), and (b) in inches.

a)

b)

28. Determine the statement of result in each of the following one innings matches limited by 20 overs per side.

	Toss Decision	Home	Away	Statement of Result
a)	Away - Bat	179/2	174/10	
b)	Home - Field	134/8	150/10	
c)	Away - Field	204/8	204/10	
d)	Home - Bat	133/7	133/5	

29. In a two-innings match of the following durations, what is the minimum lead required for the captain of the side that bats first to enforce the follow-on?

- a) 6 days
- b) 5 days
- c) 4 days
- d) 3 days
- e) 2 days
- f) 1 day

30. Under the laws, when can the batting side captain

- a) Declare his side's innings?
- b) Forfeit his side's innings?

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

Who must the batting side captain notify of the above decisions?

31. A bowler falls while running up to deliver the third ball of an over.
- a) What action are you required to take?
 - b) Who can complete the over if the bowler is unable to continue the over?
32. Under the laws, list at least four circumstances where runs are disallowed.
33. List at least four instances when the ball becomes dead automatically.
34. After the striker has hit the ball, which is not a No ball, the batsmen complete 2 runs and have crossed on the third when the ball strikes a fielder's protective helmet placed on the ground.
- 1. How many runs are scored to the batting side?
 - a) 7 runs b) 8 runs c) 2 runs
 - d) 5 runs e) 3 runs

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

2. How many runs are scored to the striker?
- a) 7 runs b) 8 runs c) 2 runs
d) 5 runs e) 3 runs
35. Under the laws, what are the ways a batsman may get out from a No ball and which batsman comes on strike for the next delivery?
36. Under the laws, what are the ways a batsman may get out from a Wide ball and which batsman comes on strike for the next delivery?
37. You and your colleague have agreed to play without bails due to windy conditions. Identify if each of the following situations is considered as WICKET PUT DOWN or WICKET NOT PUT DOWN?
- a) A ball strikes one of the stumps but does not disturb it.
- b) The striker knocks the wicket with his bat in making his back lift. A stump is pushed askew but not removed from the ground.
- c) One stump is already askew from a previous attempt.
- d) A fielder holding the ball in his hand uses that hand to knock this particular stump further out of the vertical.
38. Under the laws, identify if, in each of the following situations, the batsman is considered as OUT OF HIS GROUND or WITHIN HIS GROUND?

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

39. On the second ball of an over, the striker plays the ball and the batsmen completed one run and crossed on the second when the striker obstructs a fielder and is dismissed, on appeal.
- How many runs if any are scored for the batting side?
 - Who will be on strike for the next delivery?
40. The striker, after receiving a ball which is not a No ball, is standing out of his ground, clearly not attempting a run. Identify if each of the following situations is considered as RUN OUT or STUMPED?
- Rebounding from the wicket-keeper's pads on to the stumps.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

- b) Thrown by the wicket-keeper on to the stumps.
- c) Rebounding from the wicket-keeper's protective helmet on to the stumps.
- d) Flying off the wicket-keeper's helmet to first slip who then throws the ball on to the wicket.

SECTION - C

10 X 4 = 40 Points

41. You are the striker's end umpire. The injured striker has a runner. He leaves a delivery, and keeps his back foot within his ground. The runner has left his ground as shown below. The wicket-keeper puts the wicket down and appeals.

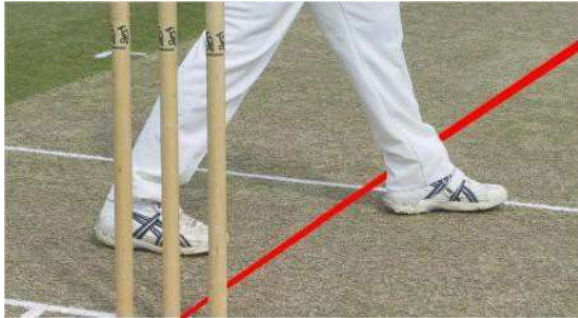

- a) What is your decision?
- b) Explain what decisions may be possible if the injured striker is out of his ground with his runner remaining within his ground?

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

42. State whether you consider the deliveries FAIR or NO BALL as far as foot placements when landed in the delivery stride are concerned.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

-
43. You are at the striker's end. The scores are level. Your colleague at the bowler's end calls and signals Wide ball as the wicket-keeper correctly puts down the wicket with the striker some inches in front of the popping crease.
- a) How do you answer the fielding side's appeal?
 - b) State the reason for your answer.
44. You are at the umpire at the bowler's end. On the last ball of an over, a fair delivery is bowled. The striker made a genuine attempt to play the ball that did not make contact with the striker's bat or person and the batsmen run. Your partner dismissed the striker run out at the striker's end upon appeal from the fielding side, before the batsmen crossed on the third run. Also, your partner at the striker's signals short run.
- a) How many runs are scored to the batting side?
 - b) How many signals are made to the scorers?
 - c) Who takes strike for next delivery?

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

45. The striker played the ball to short mid-off and the batsmen attempted a run. The fielder attempted a direct hit that missed the wickets. The batsman did not cross on the first run at the instant of the throw. The ball slowly rolled towards the boundary and stopped just inside the boundary. The batsmen completed further three runs and crossed on an additional run when a fielder deliberately kicked the ball outside the boundary.
- a) How many runs are scored for the batting side?
 - b) Justify your above decision under the laws.

46. Under the laws, identify if each of the following situations is considered as WICKET PUT DOWN or WICKET NOT PUT DOWN?

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

47. Under the laws, list the dismissals that fall under the jurisdiction of the bowler's end umpire and striker's end umpire.

48. The striker in the picture below is originally a right-handed batsman when the ball came into play. He switched his stance after the ball was delivered.

a) Based on ONLY the pitching of the delivery, is LBW a possibility?

b) Justify your decision under the laws.

49. Under the laws, list at least six circumstances under which 5-Penalty runs are awarded to the Batting side.

United States Of America Cricket Umpires Association

Preliminary Written Examination - 2019

50. Under the laws, list at least six circumstances under which 5-Penalty runs are awarded to the Fielding side.

Congratulations & Well done
